

## Miedema Auctions

We were so pleased with the entire auction process and how Miedema was involved every step of the way. All of our decisions were less complicated. You were able to answer our questions and help us prepare the farm, even when it came to paperwork and PA-116 requirements. Your online presence widened the audience of prospective buyers and resulted in us even selling some equipment out of state. Having an auction made selling equipment easier because we didn't have to take the time to decide on a price for each piece we were selling. What you did in a few short months would have taken us years, and as we are in our late 60s, that is a precious amount of time in our lives.

Thank you so much for all your help,

Bud Reisbig, Ron Reisbig, and Ed Reisbig
